About Me

Hi! My name is **Robin Choo**.

Just some info about me...

- Happily married to a wonderful wife
- Blessed to have 2 boys, age 18 and 16
- Works at [Aquarius Soft](#)
- Self-taught singer/songwriter
- Full-time night busker ☺
- Volunteers with [Volunteer Guitar Connection](#)
- Teaches basic & leisure guitar strum & sing
- Plays with [The SKYR](#) band
- Gotten my busking license only after 3 tries over 3 years!...probably a record holder! 🤪

Why do I busk?

Firstly, I love to sing and strum since young. Other than just being happy to be able to perform outdoor, it's a way to bring joy to the community and make community space livelier...and at times, make new friends and share good stuff. ☺

[VERSE 1]

I still remember the way we used to be
The things we shared
And the promises that we made
All this while I never thought you'll leave
Now your gone then I realise

[CHORUS 1]

All this summer
I could have spent with you
All this summer
I could have been with you
If not these flowers died
If not I broke your heart
All this summer

[VERSE 2]

All I want is to spend my life with you
I just can't stop thinking of your love
How I wish that
you would change your mind
To come back
Back into my life

[CHORUS 2]

All this summer
I could have spent with you
All this summer
I could have been with you
If not these flowers died
If not you broke my heart
All this summer

[BRIDGE]

I'm so sorry
Please forgive me

[REPEAT CHORUS 1]

[CHORUS 3]

All this summer
I could have spent with you
All this summer
I could have been with you
If not for what I've done
If not for what I said
All this summer

[Play @ Spotify](#)

[VERSE 1]

Sometimes I feel
The way that I shouldn't feel
Sometimes I do
The things that I shouldn't do
Oh why do I wonder if these are all real
Oh why do I feel
Feel so empty without you

[VERSE 2]

Sometimes I try
There's nothing I could do
Sometimes I see
There's no other way but you
Oh why do I wonder if you still love me
Oh why do I feel
Feel so helpless without you

[VERSE 3]

Every time I feel so low I try to think of you
Every morning when I open my eyes
I hope you'll be right beside me
Beside me
I'm lost without you sometimes
